Driving up the standards in travel experiences.

Best Western recently introduced the BW Premier Collection®, a global collection of carefully selected upscale and luxury hotels. The BW Premier Collection continues Best Western Hotels & Resort's rich history of providing guests with unique and local hotel experiences around the world. The BW Premier Collection consists of carefully selected upscale hotels that share our commitment to delivering an exceptional and unique travel experience. The BW Premier Collection provides independent hoteliers the opportunity to retain their local identity and individuality while harnessing a global powerhouse.

Developer Benefits

As a BW Premier Collection hotel, independent hoteliers in primary markets will lock in the advantages of a global hotel chain with 4,100 hotels located in more than 100 countries and territories* around the world.

- Pay-for-performance business model
- Short term contracts
- Low fee structure that will improve profitability
- Reduced reliance on third party distribution channels
- Access to Best Western's \$1.8 billion global reservation system
- Participation in Best Western Rewards®, our award-winning and fast growing loyalty program
- Powerful mobile, eCommerce and technology resources
- Optional à la carte services such as design services; access to over 500 endorsed suppliers with special pricing; state-of-the-art revenue management services; industry-leading education programs; customized eCommerce and digital marketing programs, and more

“As a successful boutique hotel it is important for us to maintain our own brand. In an increasingly competitive market, joining the BW Premier Collection allows us to do that while benefiting from the support and services Best Western provides.”
